

James Alexandre Schultz

November 20, 1970 - November 13, 2021

Jimmy Schultz (Albert James Base) was born in New York, NY on November 20, 1970, to Editha Abaya, a traveling nurse from the Philippines. She entrusted his care to family friend, Donald Schultz of Saginaw, Michigan. Over the years, he affectionately became known as Jimmy and as an adult changed his name to James Alexandre Schultz.

Jimmy attended St. Thomas Aquinas for grade school and Dwight D. Eisenhower High School, both in Saginaw. He briefly attended Michigan State University, before returning home to work a variety of jobs including managing State Street Produce and Sempliner's Tuxedos in Bay City, Michigan. He married Cindy Schultz (nee Wiese) in 1992. Jimmy went on to work at a local Christian television station and at First Assembly of God church, where he was the youth minister for several years. He was lovingly known as Pastor Jimmy, or PJ, during this time. After leaving the church, he worked for The Dow Chemical Company for a year before taking a position with XO Communications. He decided to return to school. He earned a Bachelor's Degree in Political Science and Public Administration from Saginaw Valley State University in 2002. He and Cindy had three children together.

Jim began earnestly following his long-held dream of working in Law Enforcement. He began working for the Saginaw Police Department as a Cadet. He then began pursuing a career in federal law enforcement and was

hired by the United States Secret Service (USSS) Uniformed Division in 2003 to serve as an officer in Washington, DC. In 2004, he was hired as a Special Agent and assigned to the Field Office in Milwaukee, Wisconsin. After 8 years, he was transferred back to Washington, DC where he began protection assignments in the Dignitary Protection Division and then the Vice Presidential Protection Division. At the conclusion of his protection assignments, Jimmy served at USSS Headquarters in the Staffing and Logistics Office 'War Room,' where he was promoted to the position of Assistant Special Agent in Charge, responsible for ensuring that staffing needs for all USSS protection were met. Jimmy was selected to attend the Eisenhower School at the National Defense University, where he was pursuing a Master's Degree at the time of his passing.

Jim had a unique ability to connect with people and he made many close friends in each of the places he lived and worked. His intelligence, wit, and fun personality will be greatly missed.

He is survived by his three children, Casey (age 20), Cassidy (age 18), and Caitlyn (age 14). He is also survived by his brother Gary Schultz of Westmont, IL, niece Katie Schultz of Chicago, IL, sister-in-law Nancy Chang Schultz of Chicago, IL, nephew Christopher Schultz of Chico, CA, sister Rosalie Hasnat of Los Angeles, CA, brother-in-law Sayeed Hasnat and niece Alexa Hasnat of Los Angeles, CA, brothers Joseph D'Quilope and Erick D'Quilope of San Diego, CA, nephew Jonathan D'Quilope, of Helena, MT, and his birth father, Racine Base of the Philippines.

“ *I am very sorry for your loss. I will pray for God's help for your family during this very difficult time. I hadn't seen my cousin Jimmy in years. I do remember him when he was a child from when we went to visit Uncle Don and Aunt Kate, He brought great joy to them and they were very proud and happy to have Jimmy as part of their family. I was able to watch the memorial service on line. Jimmy truly made this world a better place. The world needs more people like Jimmy. I am sure God welcomed him into His kingdom with open arms. God Bless all of you in your time of sorrow. Suzanne (Schultz) Dynes, Uncle George Schultz's daughter*

“ *My sympathies to Jimmy's family from your cousin, Sandy, in Canada. Although I have not seen Jimmy for many years, I do remember his smile. It was so heartwarming. I also remember how excited Uncle Don was when Jimmy came to live with his family. Jimmy provided a light and a hope to his family. He was proud of Jimmy. My thoughts and prayers are with Jimmy's family at this time of sudden loss.*

“ *I knew Jimmy in high school - so long ago- he hasn't changed. His smile lit up any space he entered- Heaven included I'm sure. His humour in every situation, his ability to not take himself or life too seriously and his kindness above all are his legacies. As well as his three children. My heart breaks for them.*

“ *Jimmy was a friend of mine from Saginaw who I met prior to college and we ended up on the same floor of Wonders Hall at Michigan State University. My fondest memory of him is our freshman year of MSU and I was in ROTC and he put Chef Boyardee Ravoli in my uniform shoes prior to going to drill!!!! I last spoke to him when I was working at DEA and I found his email at secret service. He will be solely missed as a larger than life prankster, jokester and good friend.*

“ Jimmy and I attended Eisenhower School at NDU together. I am thankful that in God's design he planned it so Jimmy's path would cross mine as Jimmy brought joy to my life and cupcakes :).
