“ Bobby,
My thoughts and prayers are with you and your family. Jim was a great guy and will be missed. One thing I could count on with Jim was that we would never talk cars. It was always fishing. He had some great stories.

“ *Uncle Jim was one of the most exciting, energetic, loving and enthusiastic people I have ever known. He always seemed to have an awesome story to tell and he embarked on adventures that most could only dream of. I truly wish I could have spent more time with him before he left us, but know he is in a better place now. I love you, Uncle Jim. -Tim*
