“ During his football career at ND, he threw his helmet into the crowd. It may have been his last game? My mother caught and wrestled it from some boys. I've had it for over 43 years. Now my children run around with it! May he rest in peace!

“ The family of William Ramirez would like to send our deepest sympathy for your loss. Our father, Bill, was a big fan plus he got to work with Jim delivering cars. He always talked about Jim and what a great person he was. I was fortunate enough to meet and talk to Jim. We shared some fishing stories. RIP
