

## James Joseph Sullivan

April 18, 1944 - February 1, 2025

James Joseph Sullivan, lovingly known as "Jim," passed away on February 1, 2025, after a hard-fought battle with Parkinson's Disease in Gainesville, Virginia, at the age of 80. Born on April 18, 1944, in Philadelphia, Pennsylvania, Jim lived a life defined by dedication to his family, his country, and his passions.

Jim's academic journey began in Philadelphia, where he earned an Electrical Engineering degree from Drexel University. He later pursued advanced studies, earning an MBA from American University and completing programs at the U.S. Army War College and the U.S. Army Command and General Staff College. These achievements laid the foundation for a remarkable career that spanned over three decades of service to the United States Army.

Jim retired as a Brigadier General in 1998 after more than 31 years of distinguished service in both active and reserve units. His career was marked by numerous engineering and logistics command and staff positions. During "Operation Desert Shield/Desert Storm," he served as Chief of Staff for the Headquarters of the 97th U.S. Army Reserve Command at Fort Meade, Maryland. Later, during "Operation Joint Endeavor," Jim was deployed for nine months as a General Officer across Bosnia, Croatia, Hungary, and Germany. His final military assignment was as Acting Commanding General of the 310th Theater Army Area Command at Fort Belvoir, Virginia—a role in which he led

over 3,000 soldiers with unwavering commitment.

Following his retirement from military service, Jim transitioned to a successful civilian career as Chief Engineer Contractor for the International Broadcasting Bureau. In this capacity, he provided critical engineering support to the Voice of America through his technical expertise and leadership. Before retiring in 2006, Jim was awarded the GSA Employee of the Year Award, signifying his efforts and contributions toward propelling the company's visions.

Beyond his professional accomplishments, Jim was a man who cherished life's simple joys and treasured moments with loved ones. He shared a deep bond with his wife of 57 years, Patricia Ann Sullivan ("Pat"), with whom he enjoyed playing board games and traveling to new destinations. A devoted father to Lauren Seifried (and her husband Jason), Lisa Sullivan, and Thomas Sullivan, Jim also took immense pride in being a grandfather to Nicholas, Robert, Amelia, and Thomas.

Jim's hobbies reflected his vibrant personality and zest for life. He loved playing cards with his brothers and friends—a pastime that brought laughter and camaraderie into his days. An avid collector with an eye for detail, he found joy in preserving pieces of history. Fishing trips offered him moments of peace amidst nature's beauty, while watching old movies allowed him to relive cherished memories from bygone eras.

Those who knew Jim remember him as hardworking and dedicated—a man who loved his country deeply and served it with honor. His love for family was evident in every aspect of his life; he was a steadfast presence whose warmth will be dearly missed.

A memorial gathering will be held on Saturday, February 22, 2025, from 3:00 PM to 5:00 PM at Pierce Funeral Home located at 9609 Center Street in Manassas, Virginia (20110). Following this gathering will be a reception
