“ *Sir Knight Tedder, Past Eminent Commander of Piedmont Commandery, was one of the most enthusiastic and innovative Commanders of his Knight Templar Commandery and was very open and receptive to all who approached him. He devised a new Commandery Badge which was a fund raiser for the Commandery. He carried on, with great courage in spite of his infirmities in later years. My deepest sympathies to his family in your loss.*

“ Brother J. D. Tedder, PM, followed me in the officer line in Federal Lodge #1 FAAM Washington DC and during those 6 years, our families became friends forever. Darryl's death leaves a large empty hole in my heart, and I share the grief of his family.

Darryl was kind enough to share his several published books with me and I hope that his Grandchildren, (and their children) will enjoy his story of the Templar journey, complete with magic and dragons. He was very devoted to his membership in the Knights Templar, as well as his other Masonic affiliations.

Rest in the arms of your heavenly father, Darryl, and save a space for me to join you when the time comes.

“ We are truly saddened by this news. Upon moving to Trices Lake our neighbor Mr. Tedder greeted us openly. His legacy will live on through the magical moments his children and grandchildren will share at the home he and his wife established here for them.

With great sympathy,

10 years ago today I lost my big brother and my hero---in today's world we no longer have many of those. A light went out of my life when we lost you, but you will always remain in my heart. When my thoughts drift back to our family visits, my fondest memory is of that characteristic twinkle in your eyes. I miss you, Bubba.
