We moved to Norfolk, VA in 1968 while I was at sea, Sheila and two friends flew to Norfolk and were searching for a place to live when I returned. She found a great place in Lafayette Shores apartment complex.

While looking at our next home on Winder Drive, She met a very sharp young man Steve Webb who asked, "Are you all going to live here?" and then asked, "Do you want to take a picture with me?". A nice man came out and asked if Steve was bothering you and introduced himself as Jim Webb young Steve's father.

When we moved in, next to the Webb's and we became fast friends with two of the most wonderful people you could ever know, Jean and Jim Webb and their son Steve and Jims father, and later their beautiful daughter April. Over the next 56 years we maintained contact with Jim and the Webb family.

Jim was one of the kindest, hardest working and loving person to his family, friends and everyone he met over those 56 years. We will always hold a special place in our hearts of all the memories we shared with Jim and his family and friends. We will always remember him and his kind manner and warm and amazing smile.
