“ To the family of James Why not, please accept my condolences at this stressful time.
You may feel that death ends it all. There is a solution that Almighty God will carry out
by means of his son Christ Jesus. Earthly Resurrection found in the bible.

“ I am sorry to hear about Jim's passing. I know he will be missed by his friends and family. He and my husband had many good times and memories as well as myself since we had done some traveling together.
