“ I am so very sorry... I will never forget him. Jim was *THE BEST* 'Boss' I've ever had. He was a *GREAT* man! I am very grateful and privaledged to have known him. His stories, his character, his ways...he was truly one of a kind. Jim was *ALWAYS* kind to me and I will treasure those memories until I die, and when that happens, I only wish I can see him again. There was something very rare and unique about him and the world won't be the same now that he's gone. I really looked up to and admired him. I learned from him . He was my friend. He was a father figure and I often wished he was *MY* Dad, and he knew it. I loved him and , like Matt said, 'He was love.' I'm thankful he had some for me... I saw him a few weeks before, he told me some stories, we had some laughs, caught up and then he gave me a hug and a kiss and left me with a smile... I will truly miss him. My deepest sympathies....
