

Jamie Lynne Fox

November 9, 1982 - January 26, 2026

Jamie Lynne Fox, age 43, passed away unexpectedly on Monday, January 26, 2026, in Hamilton, Virginia. Jamie grew up in Woodbridge, Virginia, where she carried with her a heart full of kindness, generosity, and love for everyone around her.

Jamie's spirit was gentle, steady, and endlessly giving. She had a way of making others feel seen, valued, and cared for. She cherished time with her family, filling every moment with love and quiet acts of devotion. Her adventurous spirit, her independence, and her love for new experiences brought her to see beautiful places all over the world. Jamie was also an avid reader who could lose herself in a book for hours. Stories were her comfort, her escape, and one of her greatest joys.

Jamie built a meaningful career as an engineer at Microsoft. Her intelligence and generosity made her deeply respected and appreciated by her colleagues. Yet it was her heart, her kindness, her warmth, and her quiet strength that truly defined her.

Jamie was the beloved daughter of Joseph and Paula Fox; a devoted sister to Renee Blaine-Duggan and Joe "Tony" Fox; and a loving aunt to her nephews Landon Blaine and Tatum Duggan, and her nieces Brynlee Duggan and Mia Fox, each of whom held a special place in her heart. She was also cherished by her brother-in-law, Bob Duggan and sister-in-law, Cheryl Fox, whose

presence and support were an important part of her life.

A huge hole has been left in our hearts. Jamie will be deeply missed but forever remembered. We take comfort in knowing her final journey has carried her home to a place of eternal love and peace.

“ We worked today in Microsoft a few years ago on the same team, I never met her in person as I'm in Ireland but she was always very kind and hardworking. Very sad news to hear, she was so young. I hope her family will be okay in time

“ Far too young.... I am so sorry that Jamie is no longer here. She was a bright light, showed endless kindness and always quick to laugh. Growing up a few houses away, and growing up together, it's hard to fathom she's gone. You will all be in my thoughts for peace during this time of such sudden grief.

“ *I always enjoyed working with Jamie and she had all the answers to my questions. If I ever needed anything while I was onboarding onto things at work, she was always there for me. I've learnt and grown so much because of her. She was really kind and I loved going to her pool parties (can't forget all the delicious baked goods she'd bring). I will miss her.*

sending my condolences to the Fox family and will be keeping her in my thoughts and prayers

“ *Jamie was a great friend and thoughtful leader of our team at her work. I had the honor to be her manager for the last 5 years. She put her heart and soul into every project she worked on. And was always ready to help others learn, troubleshoot, or celebrate their birthday (she was a great baker (:>)). I will miss her greatly.*

I send my deepest condolences to the Fox family. She is in my thoughts and prayers.

“ Jamie made a real impact on me. She patiently helped me learn how to work across our team's collaboration tools, and she always made extra time to keep things organized and clear. I feel fortunate to have known her. She was a gentle soul, and I truly enjoyed working with her. My thoughts are with her family as they honor her life and the difference she made in others, including me.
