“ So sorry to hear of your loss. Janet was always such a friendly person. She told me a story of how the buses got their extended mirrors after our son got off the bus Janet was not real sure if she crossed in front of the bus since she couldn't see him. She yelled for him and he was still standing by the side of the bus-not crossing. After that she pushed for the extended side mirrors so that she could see if the child was still standing there by the bus.

*I saw Janet last year at the doctor's office and I do believe she recognized me*

“ Janet was always smiling and was always good to me like I was one of her own grandchildren. Some of my fondest memories were playing baseball in her field with Brian and Andy Dawson. She never minded at all. Pretty cool lady.

“ Mom accepted me into her family 43 years ago and she was truly one of the most wonderful ladies you could ever have the pleasure to meet. She always treated me with respect and told me she loved me. We shared so many happy times and you helped so much with Brian and Andy, for that I'm thankful. They loved sitting around with you after the bus run and hearing stories about you and grandpa, and oh yes your grilled cheese sandwiches! It was and is a honor to be part of her loving family. Mom you will missed greatly.

“ Grandma Dawson was one of the sweetest women I have ever met! Everytime I saw her she would ask me when Jon (her grandson) and I were going to get married! I eventually started to tell her to ask him! We were so blessed that she was able to join us in celebrating our marriage this past May! That is a memory I will never forget. She will surely be missed but her legacy will live on!

*There is no love, like a mother's love,  
no stronger bond on earth...  
like the precious bond that comes from God,  
to a mother, when she gives birth.*

*A mother's love is forever strong,  
never changing for all time...  
and when her children need her most,  
a mother's love will shine.*

*God bless these special mothers,  
God bless them every one...  
for all the tears and heartache,  
and for the special work they've done.*

*When her days on earth are over,  
a mother's love lives on...  
through many generations,  
with God's blessings on each one.*

*I am thankful for my mother,

from the power God has given,  
and the strength from up above.*
