“ Dear Mr. Lucas and family,

Once again, I wanted to express my deepest condolences for your loss. In the brief time I knew Janet, I was awed by her sense of peace in the face of the unknown, and by her love and gratitude for those around her. She was a woman of remarkable spirit, and the love and care provided by you and your sons in her final weeks was powerful to witness. It makes me proud to continue on with the work that I do, and your family will always hold a warm place in my heart.
