“ *It saddens my heart to know that Janet is no longer here with us but she will always be in our hearts. We will always have good memories of her and that we will never let go. I remember When Shelley and Nicole were little and I was staying with you Tommy. Janet was always so good to them and showed them so much love. She was a wonderful person with a heart of gold. She will definitely be missed. Sending all my love and prayers to you Tommy and all the family that you all will find peace during this sad time. 🙏*

“ I always loved going on vacations together growing up! I remember Janet and Tommy cooking dinner for us in our beach rentals and Janet and Jonathan chasing me around in the sand. They were always full of so much laughter and are great memories! Janet was always so kind, thoughtful and just a wonderful, funny, loving person. I am lucky to have grown up around her. I'll always remember playing with their dog Buddy, Nintendo games and awesome fish! Janet will always have a warm place in my heart. I am incredibly saddened by the loss of her, especially for those closest to her. I wish we could be together now to comfort each other more! Sending all my love!

“ It is with great sadness to learn of the passing of my (step) sister Janet. She was the oldest of four and only daughter of Mel Swann's, (who loved her very much). I am the youngest of three sisters by his 2nd marriage. She was a role model for a big sister and I loved her very much. I have many cherished memories I'd love to share probably too many to list here. Including visits to our favorite beach, church & family gatherings. She had huge heart and a strong will. I want to thank my brother Jeff Swann & Tom Carter for reaching out to us during this difficult time. Our love and prayers are with you all. Thank you for the opportunity to share these memories. Lorraine (Lori) Finch.
