“ Grandma, I will always remember you for all the things you have done for me and my family. You are the best grandma a kid could ever have. I love you. You will always be in my head. Well it is good that you are in a better place. But I wish you could have been here christmas and to celebrate 2008 with us. I wish I saw you before this tragic event but I will always pray for you.

*I Love You  
Grandma*

*Love, Marc*

“ Dear Grandmom  
I would just like to congratulate you on leading a very successful life, with hopefully no regrets. I would like to thank you for everything you did for us when we were in need, for also teaching me that a person can not be judged by what they look like and I will always be thankful for everything you have done for us and I will remember the fun times we had whether it was getting Murphy off the air mattress or reminding me that Grandmom always knows best, I will always love, cherish, and remember the times we spent together.
