“ *Don and Family-
My condolences and sympathies are extended to all. Some of my fondest memories are when you and Janice accompanied our family on camping trips and we made our own entertainment for the weekend. Janice will be greatly missed. I appreciate the friendship that my mother and Janice experienced over the years.*

With sympathy--

“ Dear Mr Baxter,

My deepest sympathy and condolences go out to you and your family. Mrs Baxter was a wonderful and sweet lady. I'm sorry to hear about your loss. As you probably know I'm no longer at the hematology office but I still think of everyone and wish all the best. I came across the notice when I was looking at my own fathers' obituary and was shock to see her and a few other patients have passed. I will keep you in my prayers, just remember she is in a much better place and one day you will see her again.

*Sincerely,
Angela Weston
