“ From the first day I walked into Precept at Grace Baptist, Janice was welcoming and warm. She consistently displayed the very Precepts we studied in that class and is an example to us all. My deepest condolences to her entire family and circle of friends. With the certain hope that is Christ our Savior, I will see you again, dear lady.

“*Janice had a smile that never faded. Her love for Christ and her walk for Him showed in her exemplary, godly character. She was our "Miss Congeniality" in Precept Class ... always rounding up a group of ladies for lunch each week. Her joy was being around others laughing, sharing stories (especially stories about Max), and eating! She was a major blessing to me ... and yes, she truly is in "God's Country" (always to be said with a southern drawl) now!*

“*Janice was such a dear friend and important part of Precepts. She was so encouraging to me, so thoughtful in so many ways--and I know her brave fight against cancer inspired many. I rejoice knowing she is at home with her Savior, and I pray for peace and comfort for you, her family as you mourn her loss.*

“ I was so sorry to hear about Janice. She fought so long and had a positive attitude through all of her treatments. Her positive attitude was her strong faith. Even through her illness, she was an inspiration to so many people. I have so many wonderful memories of her. One was playing in her play-house/doll-house that was in the backyard on Woodland Shores Rd. I loved going over there! Janice touched the lives of so many people, and I know she will be missed by many. May God bless you and comfort you in the days ahead. Love, Lynn (Seyle) Clark

*“ I am so sorry to hear of Janice's passing. I spent many evenings with her at Quantico stables when Bonnie took horseback riding lessons with my daughter Lauren. Our daughters grew up and we lost touch with each other, but I have such fond memories of the time we spent together. She was a wonderful, kind woman who touched my life with her friendship. May God bless you and comfort you now and in the days ahead.
