

Janice Lee Noble

September 22, 1941 - March 15, 2020

Janice Lee (Plank) Noble went home to be with the Lord on Sunday, March 15, 2020, in Aldie, Virginia. Born on September 22, 1941, in Bloomington, IL, to Gerald and Helen (Kirkham) Plank, she was the middle of three children sandwiched between older sister, Pat, and baby brother, Steve.

After having lived all over the United States, Jan settled in Oakton, Virginia, with her husband and daughters in 1985. She received her Bachelor's degree in Human Factors Engineering from George Mason University in 1996.

Throughout her lifetime, she held a variety of jobs but ended her career as a medical transcriptionist with INOVA Hematology/Oncology.

After meeting the love of her life in their high school Madrigal singing group, Jan continued singing throughout her adult life. She loved the Lord and as an extreme extrovert, she never missed an opportunity to share her faith with those around her. Her greatest desire was to see her family loving and serving the Lord. A highlight of her life was getting to visit Israel twice with her husband to walk in the footsteps of her Savior. Her happiest memories were of times spent laughing and visiting with all of her family.

She is survived by her loving husband of 58 years, Richard, sons Scott (Chrissy) and Brian (Jackie), daughters Beth (Darren), Kristen (Scott) and Anita (Shawn), 13 grandchildren and 10 great-grandchildren.

Memorial donations in memory of Jan can be made to Jubilee Christian Center, World Vision or Samaritan's Purse at:
