“ *To my dear friend Janice, I thank you for being by my side for so many years at Presto Valet and being there to guide me through work and also being there to hug me when I really needed it. You were a very loving woman and the love you had for your family and friends truly shined through your heart. I have missed you and I'm sorry I wasn't there to help more. I will always remember all the fun times we had and all the friends we had together at Presto Valet. Dressing up for Halloween and going to Christmas parties and all the laughs and hugs we had! My fondest memories of you are how loving you were to me, your beautiful hair was always "perfect" along with your beautiful clothes and accessories! I always wanted to be like you!! Chat & I, along with our children, will forever hold your beautiful memories in our hearts. I know you are at peace now in the arms of Jesus, and with your Mom & Dad, your husband and Robbie:) and I hope my Mom comes running to hug you! Joe and all our departed friends from Presto to!! I pray you continue to watch over your beautiful daughter Brenda, your grandchildren & great grandchildren and all of us. I love you:) forever & always:)*

From your sister and friend Alberta Wilson's. my dearest friend Janice, I will always remember you because you were like a sister to me, even though you are at rest but I will never forget the relationship that we had and I will always hold you closer to my heart as we used to say see you later but never good bye. My heart is heavy right now that I can't come to see you but I know that you're in God's hands and that is the perfect place to be but I want you to know that I will be with you again when my time comes and we'll have those moments together again and we will walk around the streets of heaven and I will be grateful for the good old days and give God the glory that we made it. Alberta Wilson's.
