“ *Thoughts and prayers to all who love Janice, she will be missed here and welcomed by God into a completely new experience that we too will experience one day. During my younger years I couldn't wait to get to her house on weekend visits. She was considered my "cool" aunt, and I treasured all her love and the open door she had for me so many times. As life moved on we moved apart but she will always remain an important part of me and she will never be forgotten. See you soon Janice, life moves fast here on planet earth and thank God we have more to look forward to in our relationship!!*

“ *Albeit distanced by years and miles, I remember well Aunt Janice's strongwilled, no nonsense demeanor, but more importantly the depth of love and care she had for her family and friends. She touched the lives of many, in different ways, and will undoubtedly be sorely missed. My thoughts, prayers, and deepest sympathies remain with the family during this sad time, and Aunt Janice...may you forever rest in peace!*

“ Mom,  
You are now an Angel in Heaven up there with Dad and I am sure you are both up there shaking your heads saying What am I going to do with that girl? I know that God has you busy up there making sure everybody's order is correct and a fussing when they aren't. You will always be remembered and loved. I Love you and know that when you look down on us, you will smile.

*I love you,  
Sarah*
