“ *I hired Jarell at CVS South Lakes. It was his first real job and I was so lucky to have him. He was the face of calm in trying situations and such a reassuring presence for customers and employees alike. Jarell would always go out of his way to help anyone. When I transferred to a store in Loudoun County, I got lucky again because Jarell transferred soon after. The team was back together!! I remember Jarell as such a remarkable employee but, more than that, a remarkable human being. My heart is broken and I pray for the family and friends he left behind.*
