“ Javiel was such a bright soul! He had an amazingly big heart! He is the type of person that would give you his shirt of his back for you! He loved his family and friends to the fullest and his daughter was the apple of his eye! I have so many fond memories of javiel! From him waking me and his brother up in the middle of the night..and say...hey come hang out let's write some music. I will never forget coming out of work and seeing him and his brother oto waiting for me knowing by their faces that we were going on some kind of adventure! Seeing him laugh and joke being around his brothers was the best! He will be loved forever and never forgotten! He is one if gods angels now and will be watching over all of us! Rest in peace Javiel!

My deepest condolences to the family and friends of Javiel. I am the Career Services Coordinator at the Aviation Institute of Maintenance in Manassas, VA. Although I knew Javiel a short time, I found him to be a bright and good-natured student. He always sat in the library studying and seemed dedicated to his coursework. He was polite and considerate of others. Javiel will be missed.
