“ We are so sorry that we can't be with you today but you are in our thoughts. Martin was a good friend for many years and we loved both him and Eleanor. We had many fun times together and will always have those memories.

“ Martin started a company with my husband Wes and came up with the name of WesMart, Inc. The last part of WesMart is for "Martin". This was back in 1980. Even though Martin moved on to other things after that, he still was instrumental in giving sound advice and had remained a good friend since 1965 when Wes first met him in the PenDaw fire Dept. God bless you Martin and thank you for sharing your life and Eleanor with us!! Wes & Gig Robinson

“ Martin treated everyone like they were his best friend. We worked together in the old Massey Building basement EOC. He was smart, funny, and so likable. Having been widowed himself, Martin reached out to me when my wife passed away and we talked many times as he would check in on me. People come and go in one's life, some will remain forever in memory.
