“ I am in shock as I was googling their address since I did not hear from them at Christmas and wanted to reach out before they returned to St. Kitts. I have so many memories with Mark and Jeannie from Manassas, to the cabin, to Jekyll Island, to St. Kitts. Mark and Jackie please know how much I loved Jeannie and hate we had lost contact. I know you are lost without her. Mark, I don't know what to say but I know how it feels to lose your soul mate. Jeannie was a special lady.

“ My favorite memory of Jeannie is the Kentucky Derby party. She and Mark through every year at their cabin, along with her famous beer cheese, she never failed to make for the event. I will miss seeing her out on Conowingo lake and cruising up broad creek.

“ *Jeannie (what we called her) was one of the most kind and generous persons Ive ever known. We have wonderful memories of being with her at the cabin and the way she could cook an entire meal in the fireplace. Plus nice memories of St Kitts with Mark and Jeanie. My children who are all grown up also remember Jeanie and her kindness to them. she will truly be missed. Really no words to describe how we loved her and Mark.*
