“ Jean was a special member of our lives especially during the time of our Home Group. My favorite memory was a wonderful "Church Service" at our home during a big snow storm. Jean and family walked to our house. It was a great time of worship and fellowship.

“ One of the things many may not know is the fact that Jean Gray was an avid blogger. For the longest time she would send out daily musings and pearls of wisdom about God and her faith. Many times her words would callibrate me to focus on Jesus. This is how I will always remember her. n.brigman
