“ *Dear Mary and Nick,
What I remember particularly about your mother is her striking beauty and her hearty laugh. How she loved Uncle Bill and her two children! She will be present in a new way now. You can count on that.*

“ *I met Mrs. Pratt in 1978 through her daughter Mary who became my roommate and best friend.*

From the moment I met Mrs. Pratt she embraced me and made me part of her extended family.

Her enthusiasm and zest for life will be sorely missed. We are all the better for having shared time with her.
