“*Connie, I am so sorry for the loss of your mother. I remember how much she loved Junior and how much she missed him when he was in Korea. Time will ease the pain.*

“*Connie, I am so sorry about, your moms passing, but know she is a far better place, than anything on this earth! She is just continuing on with the rest of her life and in a different realm, one that we can't imagine, but one we would never turn down, if we saw it. Love to you sweetheart!!*

“*Connie and family, I am so sorry to hear of Jeans death. Jean and I were so close in school, in fact I was a bridesmaid in her wedding. It is never easy to lose someone as close and dear as your mother or dad. But Jesus took her home out of her pain and misery. We all have the promise of being together again when we all go home. It is with regret that I will not be able to attend the service. You will be in my thoughts and prayers and trusting the Lord will give you the peace and comfort that only He can give. God bless. I enjoyed so much spending some nights with her from school. You are in my prayers, trusting the comfort of the Lord will sustaine you in the coming days.
It is with deep regreat I will not be able to attend the service as I have had the flu and now upper respiratory inf. and not out in near 2 weeks. Lois Utz Whorton*

Dear Connie,

I was so sorry to hear about your mother's passing. She had fought a long fight and you were always there for her. You went beyond the call of duty to support her and be her rock.

*She was a very special person and her smile would light up a room.
Take care of yourself now.*

With sympathy, Jo Ellen Peters (lab lady)
