“ *I wanted to offer my deep condolences for the loss of your child. The pain and sorrow from losing a child can be so deep and lasting. I will be praying for your family to find the comfort and the peace of mind to deal with this tragedy. We thank Jehovah for the resurrection hope, in which he promises to swallow death forever and all those in his memory who have died will be brought back to life again. That means that you will be able to see Jeanette again. Please find comfort that God cares for you and is aware of what you going through.*

“ Nicole and Daniel, I am so sorry for your loss. Nothing in this world could be worse than to lose a daughter or a sister, and I will be praying for you all. Jeanette was so amazing as a young lady and as that little baby that I held a couple days after she was born. I remember the happiness that she brought to her father and my best friend, and to her mother. May God keep her and watch over her and her father until we all meet again. You will be dearly missed Jeanette. Now you can fly with the angels.
Love Edsel.

“ Jeanette, for the short time we knew each other, you touched my heart so deeply. So soft spoken, but with the biggest heart I've ever known. I thank God to have been a part of your life. You mean more to me than words can ever express. And all the goals and accomplishments, the big dreams we talked about, I'm going to do them all in honor of you. You said we got to be focused... Enjoy Heaven Jeanette, and when I come home show me all the great things there. Love you, miss you, and WILL ALWAYS remember you.

“ My Jeanette Rose came in to my heart at least 16 years ago. She knew that all she had to do is breakout that sheepish grin, look at me with that beautiful glimmer in those eyes of hers, and whatever she needed, she got, my heart was won! But my fondest memory is that she NEVER left me, not a single time that I remember ,without a big tight hug and an "I LOVE YOU, Bob" !!! I feel honored to have had so very many fond and precious memories. I miss you dearly my baby girl! Oh, don't worry about that old lady shaking her finger at you, that's only my mom, but stick with her! She will show you the ropes around heaven!!!
Tell Precious hello and I'll see her soon! ...JstMeBob

“ I have so many memories, I wouldn't know which one to choose without writing a novel. Heaven truly gained an angel because she's touched a lot of hearts on this side. Damn Baby, it's unreal. I'm sorry I wasn't there for you like you were for me. I love you and I hope you knew that. I'll see you at the pearly gates.
