“ *Dear Hassan Family: I wanted to send my deepest and sincere condolences during this unfortunate time in your lives, but I also wanted to share with your family a comforting promise that God gives in his Word the Bible about the possibility of us seeing our dead loves ones again, it's found at John 5:28,29 which in part reads:"Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life,". Your family will be in my prayers, my sincere condolences.*
