“ Jeff and I went to Grimsley High School in GSO. Knew his Mom and Dad and brother Bill. After a gap in early adult years we kept in touch with an occasional call and our annual Christmas cards. Last visit to Greensboro we met at Yum Yum Hot Dogs (one of our old high school spots).

Jeff was a wonderful person. I am so sad to hear of his passing. My deepest condolences Dayle.

“ Heartbroken to hear this. Jeff was a kind soul and a generous person. He invited me to share a suite with him and Dayle at a Caps game and it remains one of the highlights of my life. I had chatted with Jeff a few months ago and was hopeful that things would move positively for him in dealing with his illness. My sincerest and deepest sympathies to Dayle and the family.

“ *Jeff and I went to pharmacy school together. There are so many memories to share, but none beat our trip to Key West in our youth. It was such an experience for us youngsters eating frog legs for the first time. He was a sweet man who was devoted to his work, friends and family. He will be truly missed. Dayle, all best to you in this difficult time. My heart aches for you.*
