“ Jeff was my ex-father in law. And one of the most amazing men that I've had the honor of knowing.
I'm thankful that our children got a chance to know this incredible man. I wish that he could have been around to see the wonderful adults they've become.
He's a big part of the reason that they are great kids.
I'll always miss you Jeff. We had a rocky start. But you'll always be in my heart. 🙏💙💙💙🙏

“ Jeffery is my cousin on my mothers side. Jeffery was a wonderful person and finding out about him my heart is broken. He was always fun, upbeat and had a wonderful sense of humor. During my growing up years I didn't spend much time with him as he was 7 years older than me and already off to college when I was still in Junior High School. Karen, if you read this please know that I tried to find Jeffery and Tim many times however I could never find a phone number or any way to get in touch. I am so sorry for your loss....Im so sorry. “ Karen, Jacquie and Janelle,

We are very heavy hearted and sharing your loss. Jeff was a positive force in a negative world. He was caring, loving and genuine. He always took time to learn what was on your mind. He always made you smile no matter how bleak a situation was and offered a shoulder to lean upon. He will be missed by all who knew him.

We love you and you continue to be in our prayers.

“ *As I wipe the tears away, I'll pause and smile thinking of Jeff as I knew him at the Secret Service Uniformed Division for over twenty years. We raised our hands on the same day in 1974. He was always the sensible one with a great smile and even when he was young he had a fatherly way about him. Missed, but not forgotten!*

“ *The two things I will always remember about my Uncle Jeff are:
Being a little girl and visiting him at my grandparents house. He
would always give me a big hug, an even bigger smile, then he'd dip
me back and kiss me! Lol! He was the only adult I'd ever let do it. I
smile whenever I think of that. The second thing is how much I
admired him. He and his dad(my Pappy) made me proud to be a
Bazin. Thank you Uncle Jeff for those memories. Love, your niece,
