“ Jennifer – words cannot describe the loss I feel at your passing, but I am desperate to tell you just once more how much you mean to me. Your unconditional love made life joyful. Your selflessness proved to me that there is good in this world. Your devotion guided me through difficult times. And your strength inspired me when I felt no hope. Thank you for sharing your life and love with me. I will love you always.

“ *Dennis, Cathy and Don:*

We are so sorry for your loss. Jennifer had such a profound influence on Dennis, he is so much better for the time he got to spend with her -- and it was rare that I passed through Cathy's office without hearing a funny story about one of the girls. Jennifer was a special person and our hearts go out to you all.

You have been in my thoughts and prayers ever since I learned of the untimely passing of Jennifer. I didn't have to know Jennifer personally to know what an incredible inspiration she has been and continues to be to all who knew what she had gone through over the past year and how she fought and persevered. “ To my dear friend Dennis and the entire Golik Family: I am so shocked and saddened to hear the news that your beautiful and kind Jennifer has left you. I am sitting in my office in tears at the news, but wanted to take a moment to share that I recently received a lovely hand-written Christmas card from Jennifer thanking me for helping her and Dennis rescue little DeeDee the Doxie. I was so touched at how much she loved DeeDee, Freida and Darcy - and also that she would take time to write me a note during the busy holiday season.

I just can't believe how hard Jennifer fought in the last year through all the unexpected and totally unfair challenges that besieged her, her entire family, and her loving and supportive friends. She was an inspiration who made many people realize that faith, hope, and charity are so important in this excursion we call life. I can't even imagine the depth an breadth of how much she will be missed by you and so many people.

My heart hurts for all of you. Please know that many people are grieving along with you.

“ Jennifer--my heart is broken. I can't believe you are gone. I'm so glad we have all of our memories together and that we were even closer over the last few years. For that I am so grateful. I will miss your smile, our "girl days", shopping, dinners, movies, texts, and your encouragement when I was down. You were so strong in spirit and I hated to see you in pain. I know you are with the Lord and free now. I am left to wonder what I will do without you. It hurts so much. I love you like a sister. I will miss you everyday, for the rest of my life. Please save a place for me in heaven--I will see you soon my friend. Until then I know you would say to me,
"I wish you enough sun to keep your attitude bright.
I wish you enough rain to appreciate the sun more.
I wish you enough happiness to keep your spirit alive.
I wish you enough pain so that the smallest joys in life appear much bigger.
I wish you enough gain to satisfy your wanting.
I wish you enough loss to appreciate all that you possess.
I wish you enough hellos to get you through the final good-bye."

They say it takes a minute to find a special person. An hour to appreciate them. A day to love them. And an entire life to forget them.

I will never forget you Jen...love you more:)

Forever,

Joie
