

Jennifer Jones Simpson

February 27, 1952 - September 26, 2023

Jennifer "Jenny" Jones Simpson, 71, of Mechanicsville, VA, passed away on September 26, 2023. She was born on February 27, 1952, in Morehead, KY, to the late Delbert Caudill and Nola Omohundro.

Jenny was preceded in death by her beloved husband, Jeff Simpson of 26 years, along with her step-father William Omohundro (aka/Pops)

She is survived by her loving daughter, Missy Hertless (Billy), and step-children, Sean Simpson (Casey) and Jesse Runyon. Jenny was a cherished sister to Sherry McCarthy (Dan) and Billy Omohundro (Kirsten). She was adored by her eight grandchildren: Jayme Mathews, Hadley Simpson, Harper Simpson, C.J. Lowe (Symantha), Chloe Runyon, Cailah Runyon, Colton Runyon, and Cassie Suflita and two great-grandchildren: Evelyynn Lowe and Genevieve Lowe along with numerous nieces, nephews, and cousins.

Jenny retired in 2008 from Giant Food after 36 years of dedicated service. She began her career as a cashier and worked her way up to becoming a Grocery Manager. Jenny also served in the cash office during her tenure.

Jenny was a loving Mom, Nanny, Sister, and Friend. Everyone who knew her knew the love of Jesus. Jenny truly embodied love, kindness, selflessness, strength, faith, and resilience and lived her life to the fullest.

In 2017, Jenny made the amazing decision to have a lung transplant after struggling with COPD for so many years. She was forever thankful to the donor and their family. With the transplant hospital stay and many doctor visits that followed, she was always noted as the best and friendliest patient.

During her free time, Jenny enjoyed spending time with her family, having lunch with friends, watching game shows, attending church at Cool Spring Baptist Church, and finding ways to serve others. Her most recent passion was Operation Christmas Child. Her dining room table was full of items she was working on to be packed in shoeboxes and sent around the world to children in need.

Jenny Simpson will always be held in high regards. My cousin Jenny was the sweetest, most non judgemental person I have ever met. We had many family gatherings while Lilly Jones was alive Aka, Big Mom. Jenniferfer will be sadly missed. It does our hearts good to see how many lives she touched. So thankful I got to see you one last time before you and God said it was time to come home. Please give my son a hug from me. You will be missed but never forgotten. Our sweet Jenny Jones Simpsons. ❤️❤️❤️

“ Whew! I was her Uber driver one day , my car was shaking because my transmission was going bad but I had to ride it out to earn my bill money .. Jenny didn't complain one bit , she was talking and laughing with me .. long story short ,we exchanged numbers and she would check in on me to see how my daughter & I were doing , almost every week we would talk for a good while , one day she texted me saying IM GOING TO GIVE YOU MY CAR HONEY.. I drop to my knees and give god praise because what she didn't know is that her checking in on me & talking to me was more than enough .. now she's offering me her car not knowing that my car broke down 2 days before .. lord Jesus would place a complete stranger in your life to PROTECT YOU & BLESS YOU .. I was fighting depression and she was there to just TALK TO ME! I will miss talking & laughing with her .. I'm so appreciative to have built a relationship with such a beautiful soul. Angels do exist! She will forever be in my heart ❤️👉 & I have peace in knowing SHES IN HEAVEN , FOR SURE !

“ Jenny, We are so grateful to God that he allowed us a blessed friendship as we attended many Bible studies together at Cool Spring Baptist. You always had a smile on your face and heartfelt hugs. We enjoyed an excellent lunch at Suzanne's in Ashland as we parked and laughed at the sign for parking at “ The Center of the Universe “. You will always be tucked away in my heart. Much love

“ Missy, I first met your mother when you were in grade school at Connor. My son Joseph Heinzinger and you were in the same class. I later reunited with her when we lived around the corner from her in Point of Woods. We would walk together. I also worked with her at H&R Block doing taxes. I am so sorry to hear of her death but as a Christain and woman of faith, she is with the Lord now and that is a good place to be.

“ Jenny’s mother and my mother were sisters. We were all very close growing up. My sister Bobbie Jo Planck and I adored Jenny who was always sweet and kind. I had the pleasure of spending a week with Jenny in Richmond. I enjoyed our visit so much we had a lot in common. We were widowed. Jenny had a beautiful home we enjoyed tv. Jenny took me to visit her sister Sherry and Dan. Our cousin David Kidd treated us to lunch if my memory serves me correctly. We visited our “Uncle June” in the beautiful assisted living home. His son and our cousin Jack Jones treated us to lunch. Jenny was loyal to our cousins that’s why I enjoyed visiting her so much! Jenny was in her Bible study at church so continued working in her work book preparing for her next group study. I could go on forever about our memories, how much I loved her and how she truly understood my brain disease bipolar disorder. This caused me to not be able to keep our cooraspandance over the last few years however my sister told me that they were making plans to come visit me in Atlanta. I am so thankful to the Lord that we will spend forever in heaven one day!
