“ Jenny was always so sweet when I would go in the office, I would go around the office saying hello, Jenny was my last hello, she was so quiet that I didn't know she was in there, so I would either stick my head in or say kinda of loud Good morning Jenny, she would say good morning so sweetly. She will truly be missed.

“ We have been friends for 34 years. We spent our middle and high schools years inseparable! In adulthood we were there for each other as we married and started our own families. Our kids call us their aunts. I know the past few years we didn't talk as much as before, but we always checked in on each other. I will miss our 3 hour phone calls, our trips to the casino, but most of all I will miss you!

Johnny, I'm SO sorry to hear of your precious Jenny passing away 😞! I never got the pleasure to meet her but I heard she was quite a lovely person! Just losing a spouse is very hard because losing Curtis has been hard on me BUT with GOD'S help 🙏❤️❤️ HE will help you find your way, Honey. You know your boy's were like my very own when you were younger and this breaks my heart to have to see you have to go through such a thing at such a young age. I will keep you and your boys in my prayers to comfort you. Please know that I love you and I'm so sorry and thinking of you! Love Carol Ann Mullins MOM
