“ *I will miss Jeremy for a lot of reasons, his kindness towards all people and animals, his contagious smile, his love for pranks, we shared a lot of laughs. He would always share pictures he took of any animal he crossed his path. He was so kind and helpful to everyone here and to our customers, we love you Jeremy.*

“ Jeremy was a wonderful person. I loved to visit him at Woodbridge HS during my planning time. We would chat about how things were going, concerts he went to, games he liked playing...just life in general. The students loved to chat with him too, he always kept his door open to the hallway so students could pop by and chat. He will be dearly missed.
