“ Jerry will truly be missed. He not only was a wonderful boss but a great friend as well. Jerry and I was always teased about being work husband and wife!!!! We would just both laugh and go on about the day. He truly taught me a lot and had faith in me and what I did. He was truly an inspiration and his laughter was very contagious. His memories will last for ever and never be forgotten. Nella our thoughts and prayers are with you and your family.

“ I have many memories of our Camping days pots and pans being hit under my bed in the Pop Up and the great Hamburgers. Jerry was like a ball of laughs and fun you never know what he would come up with. Sitting around camp fires talking and listening to stories of his life. I will miss him he had been a great help to me. Give David a big hug for me. thanks your Favorite Cricket

Dear Nella Mae and the entire Bush Family. Jerry will be missed by all. I have always felt a part of the Bush family and am just one in the stepping stone Wilder/Bush family. I was a younger sister and remember Jerry well from memories of back home. I always enjoyed the gatherings at the Inman reunions and telling stories of our childhood. Much love and prayers to you and your family. Pat Wilder

Jerry was my mentor. He gave me the opportunity to gain knowledge of the craft that I have worked for 26 years. He also brought out the confidence I never had in myself, so for that, I thank you! So long my friend till we meet again! Dencil
