“ Beverly & Jeff...I was out of town this past weekend and my heart was heavy when I read the newspaper last night. All 3 of you have a warm spot in my "Merchant" memories, esp. all the times we worked together to prepare the Christmas Party for needy children. Jerry & I worked together for many years and he was never the "run-of-the-mill". He was always ready to lend a helping hand, an encouraging smile, and a cheerful comment. He held a special place in my workaday world. Please know that my thoughts and prayers are with you.
