“ Jerry,

I can't believe you are gone man, you were one in a million. You could always lift everyone with your jokes and laughter. I will miss all those text messages, you often lifted my day. You have gone home to a place where you will feel no more pain. I will always miss you, as many will. I will always remember the good times and laughs we shared. Ok now I know if there is a Dodge diesel truck in heaven you are driving it right now, and the horn is blowing dixie!

Always your friend, David

“ Arlys and Melissa,

I am so terribly sorry. I loved Jerry like a brother. He helped me with so much over the years. I will treasure all of the memories of him harrassing me over my stupid trailer mistakes. I deserved the harassment. I am so glad we had such a wonderful week at Deep Creek.

You both are in my thoughts and prayers. I love you both.

“ Arlys, I don't know what to say at a time like this. I am so sorry. Please know that my thoughts and prayers are with you. It's been a long time since I last saw all of you. It seems as we grow older, time just fast forwards on us. Jerry was a wonderful man and he will be missed by everyone. My family always had fun when we visited when are children were younger. I have some great memories of my girls, Messy and Jerry from our visits. Hug Messy for me. Love,
Debbie & Family
