“ *Jill, you were and are so loved by your family and friends. Even though we didn't see much of each other since high school, one thing remains true, your smile and the love you had for your friends and family will always endure. Rest In Peace, you will always be missed.*

“ Bill and I are so saddened by Jill's passing. We keep Steve and the entire family in our prayers. I am so very thankful that Bill and I were able to spend some time with Jill and Steve in November. As all of you know, Jill was a very, very special person and it was a blessing to know her. Bill and I wanted to be there for Jill's memorial service and with great sadness I must let all of you know that we cannot. Please know that we are there with all of you in spirit. For those of you that may not know, my husband Bill is a liver transplant patient and his immune system is low so we cannot take the risk right now to be with a lot of people. I know Jill and Steve will understand.

“ *Though I have not seen Jill for sometime, I have often thought of her and her family. I was shocked to hear of her passing and send thoughts and prayers to Steve, their sons, and the rest of her family. I always enjoyed being friends with Jill and working with her. I am sorry our paths did not cross before this happened.*

*Love,
