“ Nearly 5 years ago,I walked into the Bethel 10am Morning Meeting.You greeted me that day and along with my new driver,Boston Bob,you told me if I "Stay in the Middle, there's less chance of falling off the edge"
You introduced to service work,wether it be jail meetings or setting up for Thursday speakers etc etc...
I'm sorry I can't be there today,but I will try and continue to carry the message the way you carried it to me.
With Love and Gratitude

“ We moved next door to the Carters 27 years ago. We have enjoyed being an audience to the happy changes in their lives: prom dates, graduations, grandbabies, major home remodeling.
I have especially enjoyed chatting with Jim, on the side walk in front of our homes-- what a kind neighbor! I will miss him. May he rest in peace.

“ Jim has been a longtime true friend of mine. As has been said, he had been a dedicated and honorable member of both the Manassas community and also tBethel Lutheran Church. I don't believe that I have ever known a man who dedicated so much of his life to people in recovery from various types of substance abuse. Men that have been placed in the Prince William Adult Detention Center also owe a great debt to Jim.
For all the above reasons, the Manassas VA area has lost a true gentleman and fine person. Blessings to his beloved wife and family.
