“ My deepest heart felt condolences goes to Jimmy's family. I learned so much from him while working at Vulcan, and I owe a large part of my career to what he taught me. I will forever remember his smile, sense of humor, and laugh. His wit took the edge off the the long summers days working at the quarry. I have many days I wish I was working again alongside him and John the quarry. He was indeed a man amgonst men.

“ *Jimmy you left some big foot prints for Jimmy Kevin to fill. I was so glad to have the pleasure of John and I meeting you over 26 years ago, you were more then a friend you were family, all 3 of you. I never liked ribs till I ate yours and now when I eat ribs I always think of you. We will miss our get togethers, we were both suppose to get well enough to have just one more get together. You all were a great family I know you are not here on this earth but will always be in all of our hearts. Thanks for the wonderful memories Jimmy. May you rest in peace now with no more suffering. Pam and Jimmy Kevin may the good memories and the kindness of Jimmy comfort you through this. He will always be looking down and watching over you*

“ So many years, so many memories. Jimmy Kevin was just a baby when I met you and Jim Marshall , Pam. I was pregnant with Melissa and she will be 29 in July. I enjoyed so many times cooking out at your house and you and Jim at our house. I know you are feeling so many things right now and I am sorry that there is no way I can take it away. I love both of you dearly. Hold on to all your wonderful memories and cherish them as the two of you cherished each other and always know I am here if you need me for anything in this world. My heart, thoughts and prayers and those of all my family are coming your way...We love you

“ Life certainly isn't fair at times. This morning I learned that a great man jimmy jack who was like an uncle to me and a best freind to my father had passed early this morning. I'm thankful I had the chance to meet and work with him, anyone who knew Jimmy didn't have have a bad thing to say about him he would give you the shirt off his back if he actually had one on at the time. I sure am gonna miss those cookouts every summer. The last thing he had said to me is a few cigarettes sure isn't worth it! It's sad it takes something like this to happen to open my eyes I've got 3 cigarettes left and that's it! My thoughts and prayers go out to his wife and son and the rest of the family. This goes to show you that you'll never know when your times up. We're gonna miss you jimmy!
