“*Joan has been a part of my family for years, and we think of her as family. She and my grandfather were very happy together and good company for each other. We enjoyed spending gatherings and holidays together with her and just visiting when we could. She shared a lot with my family and we will always remember her with fond memories and miss her dearly! Love and prayers sent with her to now be amongst the angels...you are now one Joan, looking down on us! xoxo*

“*I met Joan when she was a nurse at the Annaburg manor. She was such a caring person and I will always remember and be grateful of the care she gave my Mother. We became friends and stayed friends for the past 21 years. I will miss her but she will always remain in my heart. I realize good people such as Joan brings together other good people. May she RIP.*
