“ Mark, I am so sorry for your loss. Moms always did right by me. I have fond memories of the George Mason house, where she would often offer me food, even though she knew damn well we were supposed to be in school. She was much like my mom in that she welcomed ALL comers. And, for many years, she opened up her house in Manassas for that annual 4th of July pool party. She was a good woman my friend, and you should be proud to call her mom. She is in a better place now. God Rest her soul 🙏🙏.

“ Mark I am so sorry to hear of your Mom's passing. She was like a second mother to me. I will never forget all the Love she gave me. I will always cherish my memories of spending the holidays and birthdays and of course those legendary pool parties. I loved the way she would come out with her beautiful smile and greet us all and talked with us, made us all laugh and brought so much happiness to the occasion. During the holidays she worked like heck and prepared fabulous treats and meals for us. She was so giving. Always made my birthday special ! Everyday I still use the purse she gave me & it always makes me smile & feel good. You're Mom is ALWAYS AND FOREVER IN MY HEART ❤️ May God Rest Her Soul 🙏🌹🌸
Love, Kathy

“ For many years, I hosted holidays for our family and friends, and Joan came to celebrate with us. She was the perfect guest in every way, and being Mark's mother she was special. I was happy to know her and to include her in our family gatherings. Blessings to all of her family and friends will miss her dearly. Patrick McNally.

“ I would like to take this opportunity to thank Joan Marie Frazier (AKA) Mrs.Hall for being a wonderful mother not only to Mark her son but to everyone who entered her home, from my early teens to my early thirties she continued to show her love through always having her door open to all of Mark's hooligan friends, people I continue to call my family, the bond created through those years hanging out at her house, first in Arlington and then in Manassas always felt like home, she always had a smile and a sense of humor, she let us find our own way in life through her patience and love. Rest in peace Joan, I am sure that your reward in heaven will be great, Thank you for some life long memories. Love you!!!!
