

## Joan Nancy Morris

August 23, 1939 - July 2, 2018

Joan Nancy Morris of Manassas Park, Virginia passed away Monday, July 2, 2018 with family by her side. Beloved wife of Ronald W. Morris; loving mother of Jodie L. Hunter (Ronald), Julie A. Morris and former son-in-law John P. Dyke; devoted grandmother of Krista Edwards (Brandon), Matthew Dyke, and Kayla Dyke. Adored sister of Julius Panico and Gloria Hockenberry.

Joan was born on August 23, 1939 in McKeesport, Pennsylvania the daughter of the late Anthony and Rose (Giganti) Panico. In addition to the infinite love Joan had for her family and friends, some of her greatest joys came from cruising, watching the ocean waves crash on the shore line, playing the slot machines and watching Sara (who she referred to as "her baby") dance.

Joan's life was a Blessing, her memory a treasure. Joan was loved beyond words and she will be missed beyond measure.

The family will receive friends from 3:00-4:00pm Thursday, July 12, 2018 at Grace United Methodist Church, 9750 Wellington Road, Manassas, VA where a memorial service will be held at 4:00pm with Rev. Kirk Nave and Rev. Janet Salbert officiating.

In lieu of flowers, the family asks that donations be made in honor of Joan Morris to the PAN foundation, [www.panfoundation.org](http://www.panfoundation.org) specifically the

secondary hyperparathyroidism fund. This fund assists with the extremely high costs of medications for patients with long term chronic conditions and helped Joan tremendously.

“ *Joanie was a very special lady in my life. She was my second mom. She has been in my life 41 of my 49 years! She was there for guidance, a good laugh (she had a wicked sense of humor), comfort, unconditional love, commentary, card playing, bingo playing and of course, our favorite, slot machines!! I remember her waving to Julie and I on the beach from the balcony where she would sit to just people watch and listen to the waves! One funny memory I have is of her walking through the woods at Indian Acres looking for me and Julie (because we weren't where we should have been) and because she was so short the flashlight was bopping up and down real close to the ground (think E.T.) She was one of a kind and am honored that I was able to spend so many years with her, love her and be loved by her. Joanie--no words can express the emotions I have gone through....but I know you will be watching and loving us.....and rest in peace knowing you have raised a wonderful family, been part of a wonderful family and touched many hearts and lives with your wonderful "you".....*

*Joan you're a special lady always there for others. You took care of my Mikey when I needed you. You made so happy the day you showed up at Reston hospital in your scooter. You will be missed. ❤️*

*Joan oh how you will be missed. You always had a smile on your face and I valued our friendship. From the first time you and I sat together at BINGO we became friends. Both our husbands names were Ron and we shared stories about our children and grand children. I know you will find where the slots machines are up there. Please give GOD a hand . I will miss you my friend. Rest always.*

“ I want to say this is so sad to hear of the passing of my Aunt Joan. What a great lady. We used to have a lot of fun on our family vacations and with me growing up with Jodie and Julie. And seeing her these past years at our family reunions. I will miss you Aunt Joan. Love you.

“ Just days before Joan passed away she called me to extend her love and condolences with the recent passing of my mother. As we shared our past memories of family gatherings we expressed how proud we were of our love for each other. I know God's plan for us can't be predicted and I thank him for allowing our final time to express our family love together. Memories of our parents and family will never be forgotten.

My prayers and support to the Morris and Panico family.
