“ *I am so blessed to have known Joan. I loved sitting across from her
in the pews at church and just seeing her lifting her hands and
smiling to the Lord. Her love for Jesus was just so real and it was so
inspirational to me. I know she is with the good Lord now and I know
she is just full and overflowing with happiness and love. I will miss
her.*

“ *I will miss sister Joan but, I know she is in heavenly bliss right now with our sweet Jesus. You didn't have to be around her long to know she lived her life for the Lord. She was such an inspiration to me. I would look across the pew from where we sit and church, and she would be lifting her hands to God in praise with the most beautiful smile. She loved to sing for the Lord. She also loved to sing with Norman. I know she is singing praises to God now with the angels. I know it is just beautiful. I will see her again. Hallaleujah!!*
