“*Mrs. Villani was our neighbor for twenty plus years growing up. She was a neighbor in a way you wish all neighbours could be. Mrs. Villani was kind, warm, artistic, and a master of the marble pound cake, of which I have found no equal. I will always remember her with fondness and joy.*

“*I would like to thank everyone for all their thoughts and prayers during this difficult period of time for our family. Although the next two days will be emotionally hard, everything has been going in order. MA, as we would so affectionately call her, is happy for that. Her mission on Earth may be complete but her spirit will remain.*

In loving memory of MA,

Carmen Jr.

“ I feel so fortunate to have had Aunt Joan in my life for so long. In New Jersey, In Virginia, a short stay out West. We have always stayed in touch. But my favorite times were the ones where we were together sharing the lives of our family. She was a blessing to my family and we are forever thankful for that. We are comforted by the fact that she is no longer in pain and in now in the loving care of our Lord. Rita and I will miss her and send our love to the whole family.
