“ *My sincerest condolences to the family.*

Auny Joanne was a phenomenal person. I will forever remember her gentle spirit and positive energy. My fondest memory is sharing the holiday in NC with herself, cousins, and aunt, and uncle. Facebook also captured our most tenderous of moments. I will always cherish every "Happy Birthday Sweet Heart", "Congratulations, I'm so proud of you!", and "Don't plan too far ahead, just look at few days ahead". Her words of encouragement will stay with me forever.

Rest easy beautiful spirit.

-With Love

“ *So very sorry for your loss, Walter, Robin, and Julie. JoAnn had a smile that lit up the room and never an unkind word about anyone. She was a dear friend and was so proud of her grandchildren, I felt I knew them from the conversations we had about our grandchildren. At a crucial point in my life, I received the wisest words of advice from JoAnn and she set me on a better path. I will miss my dear Ziggy.*

“ *I always loved seeing Aunt JoAnn. She was such a “chatty Cathy” and there was never that awkward silence that some people experience when catching up. She not only loved to talk about her own family, but wanted to hear everything about yours. She was also a great comfort to my mom after my dad passed away. She will be greatly missed, but I look forward to seeing her again someday!*

“ *Joann was a wonderful compassionate woman, I met her at the post office (I was a customer), then she would drop by to see me at our office. (prior to my retirement in 2016). She always had a friendly word and I enjoyed it when she stopped by. May the angels greet her, and may she rest in peace.*
