“ To the Cook family,

I am so sorry for your loss. I met your mother through Maxine and we used to laugh that we shared the same name. She was such a special lady and treasured her family so much. She frequently shared something amusing that had happened at a family event. She was also a very good friend and always asked how you were. Her smile was a treasure.

“ *Mother Cook, you have always been there for my family as long as I can remember. 30 years ago I would say, and you treated me as if I were one of your own as you did the rest of my siblings. Although we didn't get to see one another very often, you were always thought of in my heart, and very loved by me as well as many others. You will be missed, but I'm sure you are in such a beautiful serene place. Always, Teresa !!!! a.k.a. Tess*

“ Mrs.Cook was an amazing woman. I've known her since I was young. Her daughter Brenda was my neighbor. I always enjoyed her visits and her kindness. She loved with all her heart. She will always hold a special place in my heart. To the family I'm praying for God to give you peace during this most difficult time. There's a peace knowing she's with our Lord and Savior and knowing we'll see her again some day. Mrs.Cook you'll always be missed.
