“ *You are all in my thoughts and prayers. As Debbie and Cathy both said, for me it is like losing my mom. Each of our moms treated all of the neighborhood kids as their own and your mom was no exception. I remember coming over to see if Joan Lee and Kim could come out to play and your mom made me do KP before anyone could go out to play. Memories like that are precious to me (even if I wasn't too happy about it then!) She treated us all as one of her own. I look back at all of the photos of our parents and thank God every day that he placed us all in each other's lives. We all have a new Guardian Angel. Godspeed dear friend.*
