“ I have very vivid memories of my Uncle when he came from his home to visit us in Colorado. Both my Aunt and Uncle and their children came to visit us quite often and we always had a great time. My grandfather made pancake, bacon and wonderful coffee. Once I remember him teaching me to do the jitterbug. He had a real zest for life and I will always remember that special time. May you rest in peace because the memory of you will remain in my heart.
