“ Mr. Crowe was like family to my family, much like another grandfather to me as well. I loved him dearly and I am praying for the family. I know he is with Jesus and he is much happier there with Miss Bev. <3

“ *As a kid I was the boss's daughter on the loose on the Dittmar construction site, and Joe was one of the people I most looked up to. He was like Bing Crosby to me. A kind person and a good sense of humor, and I also know that he was a tremendous asset to the company.*

*Uncle Joe was always a source of kind strength. No matter how long it had been since we last spoke, he engaged with such warmth and interest, it seemed as if only days, not years had been between us.*
