“ Dear John,
I am so saddened to hear only today that you left us too soon. my heart still goes out to your mom, brothers, and sisters. I know the pain they are suffering for you because that's how we feel about the loss of your old buddy and our brother Jessie. It was so good seeing you when you came to my Mom's 80th birthday party. We were all so glad to see you. It seemed like old times . Lifetime friends is one of the greatest gifts a person can have especially from your childhood time does not change that no matter how long it has been. And you were one of those to me, I have lots of memories to cherish in my heart. May you not have to suffer anymore. I hope to see you again some day dear friend. Love your friend always, June

“ John, I love you and will always miss you. I wish you were still with us. I thank you for getting me and Bobby into baseball when we were very little. When I would get on the ball field everything would just go away and I felt at peace. You will never be forgotten. I have never felt so much hurt in my whole life. I know you had to go to a better place and John, I will never stop thinking about you for the rest of my life. (LOVE YOU, YOUR BROTHER, ANDREW.)

“ John, you were the love of my life and a member of my family at the Old Mine Ranch. We shared 12 years together through sicknesses and in health. You are with God now and no longer suffering. We will be with each other again on the other side.

“ John Arnold was a dear friend and so absolutely generous. John, I'll never forget you opening your home to me for over a year before I started college. You were family to me and supported me so much. Your love for my family and care for others deeply touched me. You taught me to relax more and enjoy the time given to me. John, I love you, brother!

To the Arnold family, we will all dearly miss this man. May God bless all of you as you remember and celebrate the life that John Arnold lived. My heart and feelings go out to you all. (Joey Calpin)
